BREA

**Real Estate Solutions Designed for
the Way You Actually Operate.**

BREA specializes in helping beverage wholesalers and bottlers navigate the complex real estate decisions that impact their operations, growth, and long-term success.

Whether you're expanding, relocating, building new, consolidating, or preparing for the next chapter of your business, BREA brings industry expertise, strategic guidance, and a trusted network of partners to every project.

OUR SERVICES

SITE SELECTION

Identify the right location for your facility by evaluating logistics, incentives, taxes, development costs, and long-term operational goals.

TENANT & LANDLORD REPRESENTATION

Whether buying, selling, or leasing, BREa negotiates strategic real estate transactions that support your business objectives and maximize value.

BUILD-TO-SUIT DEVELOPMENT

Develop a custom facility without the burden of managing construction, allowing you to stay focused on running your business.

SALE-LEASEBACK SOLUTIONS

Unlock capital by selling your facility and leasing it back, allowing you to reinvest in your business while maintaining operational continuity.

PROGRAM MANAGEMENT

Engage and manage all consultants and contractors, and coordinate every phase of your facility project—from planning through completion—to keep schedules, budgets, and stakeholders aligned.

DECOMMISSIONING & ASSET DISPOSITION

Manage facility closures, asset disposition, and equipment auctions efficiently while maximizing value and minimizing disruption.

TAX INCENTIVES & DEVELOPMENT STRATEGY

Identify tax incentives, financing opportunities, and development programs that strengthen the financial performance of your real estate investment.

INTEGRATED DELIVERY & ALLIANCE SERVICES

Leverage BREa's network of industry experts to streamline project delivery, reduce risk, and ensure facilities are designed to support long-term operational success.
